Dear Parents,

What an amazing week for the Kilberry Valley Primary School Community!

Huge Congratulations to everyone for the wonderful production of “The Super Awesome League.”

This was an idea that was born at last year’s musical when Mr. Jenkins and Miss Rendall were back stage having dinner one night. They brainstormed some ideas for a musical and then Mr. Jenkins went to work on it and developed a script that I am sure you would agree was extremely entertaining! It takes a very creative mind to develop such concepts and we are very fortunate to have Mr. Jenkins and Miss Rendall working with our students in this way. I have taken a snapshot from the Program to highlight the many people who had a major role in the production this year.

You may not be aware there were some staff there all 4 nights and others there at least 2 nights to ensure staff and students were suitably assisted with the production. That is a big commitment from the Kilberry staff – and we love it by the way!! And of course the main stars - the students, and of course Miss Toates and Mrs. Barratt. I congratulate all students for their efforts with particular mention to the 2 main casts. A lot of work, learning lines, rehearsals and everything else needed to prepare for their roles. What a tremendous effort from everyone!
Disco
A final reminder that we are holding our school disco this Friday night 13th September. If you haven’t bought your ticket, get in fast as you cannot buy them on the night. Looking forward to seeing you there for a bit of fun to conclude the term!

**PLEASE NOTE** your child will not actually be given a ticket as such. On the night we will have class lists with names of students who have paid. It is essential that you take your child to the old gym foyer and have their name ticked off so we know who is there.

At the end of the night we will dismiss the students as follows:
- Prep – old music/new art room
- One – art room exit door facing 1/2 playground
- Two – art room exit door facing the Year 3 rooms
- Three – old music/new art room
- Four - art room exit door facing 1/2 playground
- Five and Six – old gym foyer

Please look for the signs after you have dropped your child off to know which exit to meet them afterwards.

**Anyone for Badminton …. or table tennis?**
While your child attends the 3 to 6 Disco this Friday night, why not spend the time while you wait either watching some badminton or playing yourself?!
Mal Athuada (parent) will have some friends playing a demonstration game that I am sure will get you interested. We will also have some other courts set up along with some table tennis tables. So instead of going home after dropping your child of to the senior disco come along and have some fun with other Kilberry parents.
This activity will be happening in the new gymnasium. Hope to see a large number enjoying this opportunity.

We will be holding the 2014 Prep Information evening on Wednesday 16th October.

WELFARE CORNER

Understanding children’s fears
Children get scared for all sorts of reasons. Often their fear seem unreasonable to adults. But even what may seem illogical to adults, can be very real to children. Some fears are very common amongst children, with different sorts of fears appearing at different ages. Preschool children are often afraid of imaginary things like monsters hiding under the bed. In early primary school children are usually more fearful of real things that might happen, like being hurt. Later fears are more typically about possible failure at school or in sport.

Noticing when children are afraid
It’s not always easy to tell when a child is frightened or worried. Obvious things that the child responds to immediately, like thunder, are easy enough to recognise. But some things are not as obvious. Children may not tell you they are scared. Often they show it through their behaviour instead.

When children are scared or worried they may:
  * Become clingy or demand that a parent or carer stay close to them.
  * Have sleeping difficulties or want to sleep in their parent or carer’s bed.
  * Lack confidence to do things they did happily before.
  * Avoid situations that make them feel scared or anxious.
  * Ask a parent or carer to do things for them or with them.
  * Complain of tummy aches or headaches.

Helping children to cope with fears
Children need adult support in order to learn to cope with fears. They need reassurance to reduce their anxious feelings, and skills for coping so that they can gradually learn to manage fears themselves. Learning to cope with fears and worries helps children develop confidence.
