Dear Parents,

**Queen’s Birthday Holiday**

A reminder that next Monday 10th June is the Queen’s Birthday holiday.

**Cross Country Success**

On Monday 3rd June, Division Cross Country was held at Sidney Paregeger Reserve, Endeavour Hills. We had 8 students represent the school. Students competing were Daniel 6AM, Taylor 6AM, Senalee 6SW, Nina 6SW, Teresa 5LT, Anisha 5CA, Deakyn 5CA and Taylah 5KR. Special mentions go to Taylah 3rd place, Anisha 4th, Daniel 6th, Teresa 9th and Taylor 10th. These students have now progressed to Regional Finals held on Monday 17th June. We wish them all the best!!! (Miss Holmquest)

**Casual Dress Sports Theme Day**

Last Thursday, 30th May, the SRC students organised a Sports themed casual dress day to raise funds so that KVPS can sponsor a child through World Vision. There were many fantastic, colourful outfits which included cricketers, footballers, soccer players, cheer leaders, BMX riders, tennis players, rugby players, NFL and NBA players just to name a few. Thank you to all the generous students and their families as $650 was raised. This was a fantastic result. A huge thank you to the SRC students for a very well-organised day! Watch this space next week for details of the child that we will be sponsoring!

**Road Works in Kilberry Boulevard**

The road works mentioned last week will commence on Monday 10th June. I reiterate information from last week’s Valley Views:

I am informed that the work hours for the project will be between 9.00am and 2.30pm so hopefully this will reduce the issues at drop off and pick up times. During this period the school crossing near the community room will not be used and we will need to use the crossing near the Warana Drive roundabout instead. I will confirm next week the starting time for the project. I look forward to your cooperation during this time where the City Of Casey are implementing traffic control strategies that will make the school precinct safer for our school community. There will be some interference with the normal routines and I thank you in advance for your cooperation.

**Can You Help?**

We have a small job to be done that requires a bobcat or similar machinery. We wish to install a new shed and need the ground leveled for the slab to be poured. If you can help, please give Steve Froude or me a ring through the school office.

**Footy News**

Almost reached the 100 point victory mark!!! Poor Demons do have a few problems really don’t they. The Hawks now have a rest weekend coming up to get rid of those few injury niggles. Looking forward to watching them jump out of the blocks ready and raring to go for the second half of the season. Go Hawks!!

Have a great week and keep smiling!

Principal
We worked in a team to build a billy cart using nuts, bolts, wheels, rope, wood and other materials.

We worked together and helped each other at the tinkering station.

This Term we have been investigating ‘how things move’ for our Inquiry Unit. We participated in our billy cart incursion where we designed, built and drove a billy cart! It was so much fun!

We drove our billy cart with a partner.

Supporting children with additional needs

Not all children have the same abilities and needs or are able to participate equally at the same level as other children. It is important that those children who may have additional needs receive extra support or encouragement.

It is important to remember that children with additional needs are not just those with obvious physical disabilities which restrict them from doing things. Children with additional needs also include those with serious chronic, developmental or ongoing illness. Depending on the nature of the disability and how it affects the child, it may cause those children to feel different and insecure about fitting in with their peers.

Despite their disability, many children can participate in a variety of ways throughout the school. When the whole school community including other parents, carers, students and the broader community, provides adequate support and understanding to children with a disability, those children are then better able to participate throughout their school and feel included.

How parents and carers can help:

- Encourage your own children to include children of different abilities in their play.
- Teach social skills that can help children manage friendships.
- Be role models for inclusion by showing through your actions how to be caring and respectful towards others.
- Where appropriate, communicate regularly with the school about how your child is progressing.

HELP

- We are looking for some wonderful volunteers to help with the sewing of costumes for our school musical. If you are able to help, please come to the Art Room on Friday afternoons at 2pm.
- The Art Room is collecting margarine containers with lids. Please send ‘washed out/cleaned containers & lids to the Art Room.

Thank you for your help.
