Welcome to Grade 4!

Term 1, 2013 is well and truly underway and time is certainly flying by! By now you have been lucky enough to have met your wonderful teachers and have participated in a parent-teacher-student interview. Remember, if your parents would like to make an interview with your classroom teacher they can do so at any time – just make sure they call and book an appropriate time.

This terms INQUIRY unit focuses on rules and laws. As part of this unit students have had opportunities to look at rules and laws in our community. Including how rules and laws have changed over time and we even had the opportunity to have a police officer visit to talk to our year level about how rules and laws apply to us. They have also considered how rules and laws are different around the world and explored the concept of fairness.

SRC speeches were conducted early in the term. There were many fabulous speeches however only one person could be elected for each grade. The recipients of the SRC position are currently doing a terrific job and are being responsible role models for everyone in Grade 4.

On the 21st of March KVPS celebrated Harmony Day. Students wore orange and participated in a range of activities to consolidate their understanding of multiculturalism, tolerance and belonging. Each grade created a mural to be displayed around the school to act as a lasting reminder of this day.
