Dear Parents,

Who Crack'D It?
This week has seen the students and staff completing the final rehearsals for our exciting whole school event in the final week of school this term. I trust you have bought tickets if you want them, as I have been told they are running out quickly. Don’t leave it much longer if you are wishing to purchase tickets as there may not be any left.

I am sure you have all the information you need to ensure your child is prepared and has the correct amount of food for their performance day as this was explained in recent letters home. If you do have any queries please ensure you see your child’s teacher before the final week.

Happy Fathers Day
This weekend is a special time for all of our fathers in the Kilberry community. I trust Sunday will be a great time and all fathers are able to spend some quality time with your families. To ensure your child can get a special gift for Dad, our annual Fathers Day stall will be conducted on Friday 2nd September across the morning. Your children will be able to come and choose from the array of presents that a group of parents lead by Belinda Haslett have organised.

I thank these people for their time and dedication to our school community to ensure all students are able to select a special something for Dad.

I wish you all a fantastic day and I am certainly looking forward to it as it my first as a grand father!!!

An Afternoon with Dad
Once again we invite all Dads to attend school on Friday afternoon this week to engage in activities in their children’s class. You should have received an invitation outlining the time to come to school and I look forward to meeting many of you.

Premiers' Reading Challenge
At this time of year all students are being encouraged to participate in the PRC. We have a proud tradition of having amazing participation and completion rates from all of our students. So please assist your child to ‘get reading' and develop their reading abilities and interests.
Footy Day (otherwise known as Brown and Gold Day!!!) – Friday 9th September

I hope you organised your child to have a Footy Day lunch next Friday 9th September to support the year six students with some fundraising for their graduation activities. This is always a great day of fun activities to get together and celebrate our favourite team (which of course is Hawthorn).

Our Year six students will be organising a number of activities throughout the day. Two highlights being the Prep to two and Three to Six assemblies to show off your colours and again get together and have a bit of fun and of course the annual ‘thrashing’ of the students by the incredibly talented staff in the Staff vs Student game of football at lunchtime. Feel free to come along and join in the fun!

So think about your favourite Footy team and dress up in the colours of that team. It doesn’t have to be AFL teams if you have a favourite soccer or rugby team – or you might even come dressed as an umpire!

Just get into the spirit of the day and enjoy yourself!

I will unfortunately be at a Principals’ conference and will miss the day, so I am hoping to hear the Brown and Gold crowd has continued to rise.

Footy News

Don’t know what all the concern was really – the result was never in doubt!!!!!!
Oh My Goodness … the Hawks will need to get back to some serious form and try to re create the game plans and execution they showed during last year’s finals campaign if this is going to be the September I am certainly hoping it will be.

The Cats are in hot form and look a very dangerous opponent in the first round. So we have achieved the first goal of the season – to finish ‘top four’ and get the second chance. With a week off to regroup and get the fire back in the belly for some strong finals performances, I am sure the experience and skill level that we know the Hawks can deliver shines through with a confident game and positive result over the Cats on Friday week. Go Hawkers!!

Have a great week and keep smiling!

CHANGE OF CLOTHING
FOR STUDENTS
We would like to remind parents to provide a change of clothing in children’s school bags—preferably some clean underwear, track suit pants, windcheater, shorts or a dress.

This is handy for ALL children in ALL grade levels.

It makes them feel less stressed if they require a change of clothing owing to an accident or a blood nose or they fall in the mud.

We ask for your co-operation with this matter as our Sick Bay is unable to cope with the large volume of people requiring changes of clothing.

THANK YOU
