Dear Parents,

2016 Student Leaders Badge Presentation Ceremony
It was certainly a lovely afternoon outside last Friday for our badge presentation ceremony. Our 2015 leaders, Teodora, Hristina and Cedric were on hand to present the badges to the 2016 leaders and encourage them to be the best leaders they can be for the 2016 school year.

I congratulate the following students and look forward to seeing them develop over the year as they perform their particular duties and roles.

Harmony Day
Parent/Student/Teacher ‘Getting to Know You’ Meetings
We will be conducting these interviews in the week starting 22nd February 2016. You will soon be able to log onto the school website and click the link to ensure you book your desired time over the week. There will be a notice coming home to outline the procedure. Bookings will be open soon, so keep watching for information. These meetings are a chance for you to talk to your child’s teacher and inform them of information you think we should be aware of to assist your child this year.

Year 6 Camp
I am looking forward to a wonderful day at Mt Martha while I attend the Year 6 camp at The Briars this Thursday. The students have been having a tremendous time and I am fortunate to be able to spend the day with them. I am sure there will be many interesting experiences outlined to me throughout the day.

Swimming Trials
Thirty-three of our students attended the swimming trials on Monday and the district team will be selected from this group. Everybody swam their hardest and did their best. Huge thanks to the many parents who were able to go along and assist and importantly encourage the swimmers.
We wish the team the best on 26th February as they compete in the District Swimming Sports at the Noble Park Pool.

Breakfast Club
Breakfast Club begins next Fri 19th Feb. Like last year meals will be FREE to ALL students. Breakfast Club is on EVERY Friday from 8:30-9am in the Gymnasium. Parent Helpers welcome.
Please see the information further on in the Valley Views.

School Council - Elections
Each year half of the School Council retires and we elect new members.
The School Council election process will commence next week. I will have more details in next week’s Valley Views about the process you will need to follow if you are interested in joining the School Council for 2016.
If you have any queries please catch me at school or ring (97028688) to make an appointment so I can have a chat about the role.

Have a great week and keep smiling!

I authorise the Department of Education and Training (DET) to use Centrelink Confirmation eServices to perform an enquiry of my Centrelink customer details and concession card status in order to enable the business to determine if I qualify for a concession, rebate or service. I also authorise the Australian Government Department of Human Services (DHS) to provide the results of that enquiry to DET.

I understand that:

- DHS will use information I have provided to DET to confirm my eligibility for the Camps, Sports and Excursions Fund and will disclose to DET personal information including my name, address, payment and concession card type and status.
- This consent, once signed, remains valid while my child is enrolled at a registered Victorian school unless I withdraw it by contacting the school.
- I can obtain proof of my circumstances/details from DHS and provide it to DET so that my eligibility for the Camps, Sports and Excursions Fund can be determined.
- If I withdraw my consent or do not alternatively provide proof of my circumstances/details, I may not be eligible for the Camps, Sports and Excursions Fund provided by DET.
- Information regarding my eligibility for the Camps, Sports and Excursions Fund may be disclosed to the Victorian Department of Health and Human Services and for State Schools’ Relief for the purpose of evaluating concession card services or confirming eligibility for assistance.

You are able to request access to the personal information that we hold about you, and to request that any errors be corrected, by contacting your child’s school.

Rotaviral gastroenteritis

Victorian statutory requirement
Isolated cases are not notifiable.

School exclusion: exclude from school or child care centre until at least 48 hours after symptoms have ceased.

Infectious agent
Rotavirus, predominantly Group A, is the causative agent.

Identification
Clinical features
The disease is characterised by vomiting and watery diarrhoea lasting for three to eight days. Fever and abdominal pain occur frequently. Treatment is symptomatic. Maintenance of hydration is the most important measure.

Method of diagnosis
Diagnosis may be made by rapid antigen detection of rotavirus in stool specimens. Strains may be further characterised by enzyme immunoassay or reverse transcriptase polymerase chain reaction. Stools for these tests should be collected in the acute phase of illness.

Incubation period
The incubation period is approximately 24–72 hours.

Public health significance and occurrence
Disease usually occurs in infants and young children, particularly under two years of age. Adults can also be infected although their resultant disease tends to be mild. In temperate climates it is more common in the winter months. Rotavirus gastroenteritis is the leading cause of infant viral gastroenteritis worldwide. The cost of managing rotavirus disease in Australia is estimated at $26 million annually.

Reservoir
Humans.

Mode of transmission
Rotavirus is transmitted predominantly via the faecal-oral route. Rotavirus has been detected in respiratory secretions. Because the virus is stable in the environment transmission can occur through ingestion of contaminated water or food and contact with contaminated surfaces.

Period of communicability
Rotavirus is communicable during the acute stage of disease and while viral shedding continues. Excretion of virus for greater than 30 days has been documented.

Susceptibility and resistance
Everyone is susceptible to infection. Immunity after infection is incomplete, but repeat infections tend to be less severe than the original infection.

Control measures
Preventive measures
Prevention is primarily through good personal, food and home hygiene.

Control of case
Provide advice regarding personal hygiene, exclusion from work or school or child care and attempt to identify source of infection. Health care workers and food handlers should be excluded from work until at least 48 hours after diarrhoea has ceased.

Control of contacts
Identify whether any contacts are ill. Provide advice about strict personal, food and home hygiene.

Control of environment
Rigorous attention to clean-up procedures and personal and home hygiene is essential to prevent further transmission.

Outbreak measures
An outbreak is defined as two or more related cases of gastroenteritis. The primary aim is to prevent further disease by identifying the source, cleaning contaminated environments and isolating cases.

Special settings
Specific protocols for the management of outbreaks in special settings are available from the Communicable Diseases Section of the Department of Human Services, phone 9637 4126.

ABSENCE NOTIFICATIONS

REMINDER TO PARENTS:
If your child is absent from school, please ring the school office on 9702 8688 on the morning of the absence or send a note with the student on the day they return to school.

THANK YOU

CHANGE OF CLOTHING

FOR STUDENTS

We would like to remind parents to provide a change of clothing in children’s school bags—preferably some clean underwear, track suit pants, shorts or a dress.

This is handy for ALL children in ALL grade levels.

It makes them feel less stressed if they require a change of clothing owing to an accident or a blood nose. We ask for your co-operation with this matter as our Sick Bay is unable to cope with the large volume of people requiring changes of clothing.

THANK YOU

PARKING

No parking signs

If there is a ‘no parking’ sign, you can stop for 2 minutes in that area:

If you are picking up or dropping off passengers or goods you stay within 3 metres of your vehicle.

If you stop in, or partly in, an area showing a no parking sign and you are not picking up or dropping off passengers or goods, you are considered to be parked and can be fined.

This is the case even if you stay with your vehicle.
