Dear Parents,

**Human Powered Vehicle Team - Well Done!**
Our HPV team had a wonderful time last weekend as they competed in an event at Casey Fields. Please read the story later in this week's Valley Views. They should be proud of their efforts as they were competing in an open aged group that I am told also had some secondary school and adult teams involved. A bit hard to keep up with these teams and they have certainly gained some experience that will assist their efforts when they travel to Maryborough later in November.

This type of event doesn't happen without strong staff and parental support and I greatly thank Miss Redpath and Mrs Draai for leading this experience for the students involved. Mrs Bailey has also been vitally involved as both a staff member and parent. Thanks to you all for your time and commitment to our students.

**World Teachers Day**
Last Wednesday 5th October was World Teachers Day across the globe. When I refer to ‘teachers’ at Kilberry Valley, I am talking about everyone who works at the school whether they are Teachers, Education Support Staff, Office Staff, Maintenance man, Teaching Support staff, Principal class personnel. My point is, that at Kilberry we are all ‘teachers’. So we celebrate this together no matter what our particular role is during the week.

This is a time to reflect on the great things that a ‘teacher’ at Kilberry has done for your child. I certainly hope you are able to send along an encouraging note or say a kind word to a ‘teacher’ at Kilberry to encourage them for the work they do. We have a dynamic and enthusiastic staff who work very hard to ensure your children have the best possible educational and life experiences we can offer.

**Prep Info Night**
I look forward to meeting many new families next Wednesday night at the school Information Night where we will outline a general overview of what Kilberry Valley can offer our new enrolments for 2017.

We will commence at 7.00pm in The Gallery and there will also be child minding available if required.

If you know of anyone who is looking for a school for 2017 please let them know the evening is happening and also to contact the school office for a tour.
2017 Enrolments – Are You Leaving?
We are well into planning mode for 2017 and need to have a correct estimate of the enrolments we will have next year to obviously ensure our planning is accurate and we have the relevant numbers of staff on board.
So I would ask you to do the following:

- If you have a sibling that is not enrolled as yet please come to the office and complete the enrolment forms.
- If you know you are leaving and will not be at Kilberry next year please inform the office and complete a Transfer Note so we know not to include your children in the planning.
- If you know of any friends who are still to enrol please strongly encourage them to also come to the office and complete the enrolment forms.

Have a great week and keep smiling!

Neil Cunningham
Principal

Thank You!

The grade six teachers and students would like to thank everybody that made the 2016 Footy Day such a fundraising success.

Special thanks goes out to the parent helpers who assisted in making the Footy lunch orders, and Mrs Thomas and US Sports Down Under for their very kind donations.

2016 Energy Breakthrough Team

On Saturday, the Kilberry Valley Energy Breakthrough team went to Casey Fields for an 8 hour event to compete against other schools from Victoria. Our team completed 80 laps and finished 66th out of 89 teams overall.

Our old vehicle ‘Lightning’ has been given a make over and renamed. Some of the team helped to paint the new shell over the holidays all ready for our Casey Fields event. The vehicle was also given the new name ‘K-Boom’, keeping with the name of our other vehicle ‘K-Pow.’

The students have been training hard to prepare for this event. They have been training before and after school and during recess and lunch. The team will continue to train and prepare a presentation for their triathlon event in Maryborough in November.
3LG had an exciting start of Term 4!

We went on camp to Mt Morton!! It was a fun yet challenging opportunity for us to learn to develop team building skills. The activities we participated in were Archery, Giant Swing, Bush Cooking, Flying Fox and Tug of War, just to name a few.

Those who couldn’t attend the camp had a great experience at school by playing team sports, watching a movie and enjoying Arts and Crafts activities.

CHANGE OF CLOTHING FOR STUDENTS
We would like to remind parents to provide a change of clothing in children’s school bags—preferably some clean underwear, track suit pants, windcheater, shorts or a dress.

This is handy for ALL children in ALL grade levels.

It makes them feel less stressed if they require a change of clothing owing to an accident or a blood nose or they fall in the mud.

We ask for your co-operation with this matter as our Sick Bay is unable to cope with the large volume of people requiring changes of clothing.

THANK YOU

CANTEEN NEWS
