Dear Parents/Guardians,

Your School Council has given careful consideration to student booklists and requisites for 2015. The school has developed this booklist in conjunction with teachers and our School Council endorsed supplier. All monies will be required to be fully paid prior to the end of the 2014 school year. The book pack, curriculum materials and voluntary contributions has been divided into 2 sections. All supplies will be delivered directly to your child’s grade in the new year.

Implementing this payment structure is the CHEAPEST and SUREST way of having ALL children commence the school year with the SAME high quality supplies. This will assist with a smooth start to the school year for everyone.

NO CHANGE FROM THE 2014 COSTS DUE TO A GREAT DEAL WITH OUR SUPPLIER.

This structure conforms to the Government Policy where parents are required to provide such items as text books, dictionaries, calculators, student stationery, materials for electives, Art supplies, diaries etc and programs provided by outside specialists eg Mathletics, Spellodrome

**Section A:**  Booklist items and curriculum supplies ( Essential Items ) which are a critical part of the school budget. The funds we receive from the State Government covers salaries, administration, telephone, gas, electricity and property maintenance only.

Curriculum supplies are provided to the school in bulk and cover such items as paper, art materials, first aid supplies, developmental curriculum requisites, computer programs and IPAD applications. As you would be aware the children participate in computer programs and as we are no longer able to have these as a free trial there has to be a cost passed on to the students.

The school encourages all parents to use the school provided items as a means of ensuring their child has the exact materials required. Please note that the option of purchasing specific items from the school and others from alternative sources is unavailable.

**Section B:**  Voluntary Contribution

The school community is working hard at developing our classroom programs, resources, grounds development and Information Technology resources.

The support of all families will ensure that high quality programs will continue to be provided for your child. Most importantly the community can feel proud of the high level of support you have given to your child’s education.

School Council has been mindful in keeping contributions to a minimum while endeavouring to provide the best possible educational opportunities. With this in mind there has been no increase in the requested contribution from $60 if paid prior to the end of the 2014 school year. **If paid in 2015 the amount is $65.00.**
