# What is SWPBS?

SWPBS (School Wide Positive Behaviour Support) is a way to help everyone at school show kind and helpful behaviour. We teach and encourage students to do their best, both in class and outside, by pointing out and rewarding good actions. The goal is to help more students make good choices. At KVPS, we all follow the same values so everyone knows what is expected. We focus on teaching these expectations to promote a happy and safe school.

# Dojo Shop

The Dojo Shop is a chance for students to use their Dojo Points to buy rewards. This will be mostly run by our Student Leaders including SRC.

The shop will be opened at Recess Monday to Thursday, and it will be timetabled. The shop will be next to the Wellbeing Room. The shop will be open every fortnight.

Students need a minimum of 50 points to go to the shop.

Rewards start at 50 Dojo Points and go up to 200 Dojo Points.

The Dojo shop will be reopen Week 6 Term 1 2025.

# Junior Reflection

# Junior Reflection

SWBPS is about our school values which we call C.A.R.E.S at Kilberry Valley Primary School. There are lots of ways we can show our school values using C.A.R.E.S. In C.A.R.E.S - C = Cooperation, A = Acceptance, R = Respect, E = Engagement and S = Safety. We can show these values across our school in many ways. At Kilberry Valley Primary School as part of our SWPBS program and school values we can earn Dojo Points to spend on rewards such as our whole school reward day or even spend them at the School Dojo Shop.

# Middle Reflection

At our school, SWPBS means following the values of C.A.R.E.S—Cooperation, Acceptance, Respect, Engagement, and Safety. As students, we believe these values help us work together, appreciate each other's differences, and create a positive learning environment. By practising cooperation and respect, we set a good example for others and show how to build strong relationships. When we stay engaged and focus on our safety and well-being, we make sure everyone feels supported. These values help us be good role models and contribute to a school where everyone can succeed.

# Senior Reflection

SWPBS encompasses three elements; the Dojo Shop, the Matrix of Expectations and the School Values.

The Dojo Shop is where we spend our dojos to purchase amazing things for being nice and good. It is filled with excitement, joy and happiness. All you have to do is earn some dojo points from the staff members at your school, so you can purchase something amazing from the Dojo Shop. Everytime we follow school expectations, we earn dojos that go towards purchasing items such as different toys, fidgets, card games and mini pool.

The school values are Cooperation, Acceptance, Respect, Engagement and Safety also known as C.A.R.E.S. In order to follow these school values you'll have to know what each of them means. Cooperation means working well in groups and using teamwork skills. Acceptance is when we acknowledge others for who they are.. We do not judge people because of their differences. Respect is when we are kind, nice and responsible. Engagement is when we concentrate and focus on our learning. Safety is when we don't hurt ourselves or others and maintain personal space.

# SWPBS team

In Term 1 of 2024, KVPS established an SWPBS team that meets fortnightly to discuss and implement whole school approaches that support teaching pro-social behaviours. The team analyses behaviour data and then assesses the interventions that need to be put in place.

The 2025 team consists of the following members:

Jackson Prendergast (SWPBS Coordinator)

Kellie Murray

Amy Jones

Debra Ignace

Kylie Spalding

Lucy Calderwood
