KILBERRY VALLEY PRIMARY SCHOOL
INCURSION CONSENT FORM

Title of Incursion	Animals of Oz	GRADE/S participating 5A, 5B, 5C, 5D
Destination	Kilberry Valley Primary School	
Date(s) of incursion	Thursday 24th May, 2018	
Description of the Incursion	This term's focus for science is animal adaptations. This unit focuses on structural features and adaptations that help animals to survive in their environment. To assist in the understanding of these concepts, we have booked the above visiting educator to provide practical examples of the adaptations of a variety of Australian animals. Students will be given the opportunity to touch the animals and to ask questions of the presenter. This will enable students to gather information to support their research projects.	
Cost	$8.00	
Teachers in Charge	Year 5 Teachers
